EXPERIENCE

Experience in **Joget low-code platform development** and **WSO2 API/Micro Integrator-based integration solutions**.

PROFILE

I am Amal Sutherson, a dedicated and adaptable professional with a Bachelor's degree in Computer Applications (BCA) and a solid foundation in programming and development. I have 1 year of experience working as a Junior Software Developer at Impiger Technologies, where I focus on no-code/low-code development using Joget, as well as API development with WSO2 and Micro Integrator. I consider myself a responsible and detail-oriented individual who thrives in dynamic environments. I'm committed to continuous learning and staying updated with emerging technologies to consistently deliver high-quality results
